

Convenient New Parking now open at SJC.

The final piece of the New Airport is now in place: New, relocated and more convenient parking lots.

Now, all parking is close to the terminals. Hourly lots are closest to the terminals for easy meeting and greeting. Daily lots are within walking distance for overnight visitors. The Economy Lot is just a short shuttle ride for those staying longer. All ADA accessible parking has been relocated into the garages for easiest access.

No more long haul from Long Term Parking.

The Long Term lot on Martin Avenue is closed, and has relocated closer to the terminals. It is now called Economy Lot 1 and is a short shuttle ride to the terminals.

The garages are now Hourly Lots 2 and 3.

The Terminal A Garage is now Hourly Lot 2; the first floor of the Rental Car Center (across from Terminal B) is Hourly Lot 3.

Daily Lot 4 is adjacent to Hourly Lot 3.

The entrance to Daily Lot 4 is from Airport Boulevard on the east side of the lot.

New Hourly Lot 5 and Daily Lot 6, next to Terminal B, are now open.

South of Terminal B, where Terminal C stood, Hourly Lot 5 is closest to the terminal.

For fast check out, pay for parking at the Pay Stations and use the automated exit lanes.

On your way to your car, look for the Pay Stations in Terminal A baggage claim and on the second and third floors of the garage; Along the front of Lot 3; And within Lots 4 and 5. You can pay with cash or credit card. To exit, simply insert your validated ticket or credit card into the automated gate station as you leave the lot.
