### **JetBlue to Begin Nonstop Flights to Long Beach from Silicon Valley's Airport**

*-- More Convenient Service to Southern California;  
Four Daily Flights Begin January 4, 2017 --*

**San José, Calif.** – [JetBlue](#) today announced nonstop service between [Mineta San José International Airport](#) (SJC) and Long Beach Airport, an easy and efficient gateway to Southern California, beginning January 4, 2017. The four new daily flights are an important service addition to the heavily-traveled "Bay-to-Basin" corridor by Silicon Valley business and leisure travelers. Fares as low as \$39 one way are currently available for purchase at [www.jetblue.com](http://www.jetblue.com).

"JetBlue has successfully served Mineta San José International Airport since 2004 with nonstop service to Boston and New York, and I am delighted to see our airline partner expand its presence in Silicon Valley by offering nonstop service to Southern California via Long Beach," said San José Mayor Sam Liccardo. "JetBlue's growth in San José is an indication of the continued demand by residents and businesses seeking competitive fares, convenience, and a world-class travel experience."

JetBlue will operate the four daily nonstop flights between SJC and Long Beach using modern Airbus A320 aircraft configured to seat 150 passengers. During the approximately 80-minute flight, travelers will enjoy JetBlue's award-winning service onboard, including assigned seating; ample legroom in coach; free Fly-Fi; complimentary and unlimited name-brand snacks and soft drinks; free, live DIRECTV® programming, and 100 channels of SiriusXM® radio in every seatback.

"We want to give our customers in Silicon Valley even more JetBlue love by offering our award-winning service to Long Beach, a convenient gateway to Southern California," said Dave Clark, vice president network planning, JetBlue. "Since landing in San Jose in 2004, our customers have come to expect nothing but the best when they fly and we can't wait to welcome them aboard these new flights."

Flights begin January 4, 2017. JetBlue operates in SJC's Terminal A.

“JetBlue is adding important new service between Mineta San José International Airport and Long Beach Airport, a modern and accessible gateway to Southern California,” said Director of Aviation Kim Becker. “The Bay Area to Los Angeles Basin corridor is the U.S.’s busiest air travel market, and JetBlue’s four new daily flights give travelers more choices in airline, time-of-day for travel, and airport proximity to their business or leisure destination.”

JetBlue has been a long-time partner at SJC, starting with nonstop service to New York/JFK in 2004, followed by launching nonstop service to Boston in 2005.

The carrier’s new Long Beach service marks 12 new destinations either announced or launched from SJC in 2016. These include: [Alaska Airlines](#) to Orange County and San Diego in June, and in 2017, Newark starting on March 12 and Burbank on March 17; [British Airways](#) to London/Heathrow and [Air Canada](#) to Vancouver in May; [American Airlines](#) to Charlotte in June; [Lufthansa](#) to Frankfurt in July; [Air China](#) to Shanghai on September 1; and [Southwest Airlines](#) to Baltimore/Washington and Salt Lake City on November 6.
