NEWS RELEASE

Frontier Airlines and its Ultra-Low-Fares Now Available at Silicon Valley's Airport

*-- Daily Nonstop Flights to Denver Begin Today;
 Service to Six More Cities Launch November through April 2018 --*

San José, Calif. – San José Vice Mayor Magdalena Carrasco and Mineta San José International Airport (SJC) Director of Aviation John Aitken joined today with Frontier Airlines' Director of Stations Sean Morahan to launch the carrier's new service at Silicon Valley's airport. The partners joined together to inaugurate a daily nonstop flight to Denver, with service to six additional cities to follow November through April 2018. Find fares as low as \$39 at www.FlyFrontier.com.

"Today we introduce a new, more affordable way to travel for the San Jose community," said Frontier's Morahan. "We're offering not only amazing low fares, but reliable and friendly service allowing customers to customize their travel experience to their needs and their budget. This empowers more people than ever before to fly and is what our 'Low Fares Done Right' philosophy is all about."

Frontier is offering these routes for Silicon Valley travelers:

Nonstop City Served from SJC	Frequency of Service	Effective Date
Atlanta (ATL)	Mon, Wed, Fri, Sat	April 9, 2018
Austin (AUS)	Mon, Wed, Sat	April 9, 2018
Cincinnati (CVG)	Tue, Thu, Sun	April 8, 2018
Colorado Springs (COS)	Mon, Wed, Fri, Sat	April 9, 2018
Denver (DEN)	Daily	October 5, 2017
Las Vegas (LAS)	Mon, Wed, Fri, Sat	November 1, 2017
San Antonio (SAT)	Tue, Thu, Sun	April 8, 2018

(more)

“We are soaring to new heights today with Frontier Airlines launching Denver as the first of seven cities offered nonstop from Silicon Valley,” said Mayor Sam Liccardo. “I’d like to thank Frontier for its investment in San José and Silicon Valley, and for recognizing the growing importance and interest in our region among both business and leisure travelers.”

“We’re pleased to welcome Frontier Airlines and their loyal customers to Silicon Valley’s airport,” said Aitken. “Frontier’s ultra-low-cost fares and convenient travel times to seven US cities where travelers want to go is a welcome addition to our community.”

Frontier’s San Antonio service is a first from Silicon Valley’s airport. Cincinnati and Colorado Springs were served in the past and mark a welcomed return for travelers.

Additional nonstop service to Atlanta, Austin, Denver and Las Vegas gives travelers another choice in airline and flight times. Southwest Airlines also serves Austin, Denver and Las Vegas nonstop from SJC, while Alaska Airlines serves Austin nonstop, United Airlines serves Denver nonstop, and Delta Air Lines offers nonstop flights to Atlanta and Las Vegas.

SJC: Transforming How Silicon Valley Travels

Mineta San José International Airport (SJC) is Silicon Valley’s airport, a self-supporting enterprise owned and operated by the City of San José. The airport is approaching 12 million passengers served annually, with 200+ peak daily departures on 16 international and domestic carriers to 50 nonstop destinations. SJC was America’s fastest-growing major airport in 2016, based on percentage increase in passenger seat capacity. For more airport information, visit flysanjose.com.
