Mineta San José International Airport

Facts: Silicon Valley's Airport

Location

Located on 1,050 acres in the heart of Silicon Valley, Mineta San José International Airport (SJC) is owned and operated by the City of San José. The Airport is bordered on the south by I-880, on the east by Highway 87, and to the north by Highway 101, offering easy access for passengers throughout Silicon Valley and the San Francisco Bay Area.

Passenger Traffic

- 10.8 million annual passengers (Calendar Year 2016)
- Approximately 30,000 passengers daily
- America's fastest-growing airport based on percentage increase in seat capacity

Terminals

Terminal A: 16 gates (including international facilities)
Terminal B: 12 gates (adding two more gates in 2017)

Budget

- $183 million operating budget (Fiscal Year 2016/17)
- A self-supporting enterprise with revenues coming from landing fees, rents, concession fees, and other user fees.
- No local taxes are used for the operation or development of the Airport.
- Federal grants contribute to some capital improvements.
- The Airport has a direct staffing level of 204 employees and approximately 3,000 airline and other business-based positions located on the airport.

Economic Impact

- 1,020,400 jobs in the San José/Silicon Valley area.
- 105 companies within 18 miles of SJC worth $39.3 billion in capital expenditures, with $628 billion in global sales.

Did you know…

- SJC serves a market of nearly 4 million people
- SJC has beautiful, technologically advanced terminals from a $1.3 billion modernization completed in 2010
- SJC's Terminal B is certified LEED Silver by the U.S. Green Building Council
- SJC offers free and fast WiFi, comfortable seating with built-in power outlets, and first-class customer service
- San José has more than 300 sunny days per year with only five days of weather-related flight delays
- SJC has one of the best rankings for on-time performance for California airports
- The San José metro area has the highest median income in the nation - $91,533
- The San José area is home to the biggest tech giants in the world including Apple, Google, Facebook, Yahoo, Cisco, Hewlett Packard, eBay, Adobe and Intel
- San José is the capital of Silicon Valley, the 10th largest city in the U.S., and the largest in Northern California
- SJC is the gateway to Northern California - close to California's breathtaking beaches, the Napa Valley wine country, and world-class golf courses

Two Runways
Two 11,000-foot runways are capable of handling aircraft serving all domestic or international destinations (Runway 30Right/12Left and Runway 30Left/12Right).

On-Site Parking
Hourly lots are closest to the terminals for greeting guests, and daily lots are within walking distance for overnight visitors. For those staying longer, the Economy Lot is a short shuttle ride away and offers affordable pricing. Each lot is competitively priced and convenient. All ADA accessible parking is located in the garages for easy access. For parking information, visit **www.flysanjose.com**.

Airport Curfew
SJC's curfew between 11:30 p.m. and 6:30 a.m. prohibits commercial takeoffs or landings by aircraft exceeding an average of 89 decibels, with exceptions based on weather, mechanical, or air traffic control issues. The purpose of the curfew is to minimize nighttime noise associated with airport operations and improve quality of life in nearby neighborhoods.

Airport Information
For information on the Airport and its operations, go to **www.flysanjose.com** or call Airport Customer Service at (408) 392-3600.

Connect, Serve, and Inspire

SJC offers travelers 50 shops, restaurants and services conveniently located near boarding gates. Choose between numerous food and beverage sit-down and to-go options.

Travelers also appreciate our variety of regional gift ideas for hosts at your destination or loved ones waiting at home.

The Club at SJC, an award-winning lounge open to all passengers for a $40 day pass and located between both terminals, offers a quiet and relaxing environment to unwind while enjoying complimentary snacks and drinks.

Transforming How Silicon Valley Travels

SJC served 10.8 million travelers in 2016, an increase of nearly 1 million passengers year-over-year and marking four solid years of growth. SJC is America's fastest growing airport based on percentage increase in seat capacity.

Silicon Valley's airport is packed with new and expanded nonstop flights to Newark, London, Chicago, Frankfurt, Shanghai, Long Beach, Vancouver, Atlanta and more!

SJC is transforming how Silicon Valley travels with:

- Adding two new gates in Terminal B for enhanced flight scheduling and to minimize passenger walking.
- The Mobile Passport app and Global Entry kiosks to expedite arriving passengers through federal customs.
- Robots to engage, entertain, and assist passengers of all ages.
- Modernizing the Terminal A Ground Transportation Service Center.
