Passengers can enjoy access to these outstanding amenities:

- Newspapers, Magazines, TV’s, FIDS
- Shower facility (towels, shampoo, soap and hair dryer are provided)
- VIP conference room (additional charges may apply)

There are no additional charges for the use of the shower facility or the workstations.

The interior design is modern and clean with a décor that is at once comfortable and elegant. The color palette is reminiscent of the natural areas that surround San José. The warm, neutral tones of the upholstery and carpets are complimented by natural materials such as wood and stone for flooring, counters and architectural accents. The furniture builds on the theme of modern yet “beach cozy” by providing warm, comfy and colorful fabrics with wood shells. With a mixture of delicate pendant lights and ample natural daylight, the lounge welcomes travelers with a breezy and casual mood that reflects the vibrant local culture. With approximately 7,400 square feet, the lounge has seating for 128 people and incorporates multiple sitting areas, recharge stations, work stations, bar and a shower facility.
