

Mineta San José International Airport

Facts: Silicon Valley's Airport

Location

Located on 1,050 acres in the heart of Silicon Valley, Mineta San José International Airport (SJC) is owned and operated by the City of San José. The Airport is bordered on the south by I-880, on the east by Highway 87, and to the north by Highway 101, offering easy access for passengers throughout Silicon Valley and the San Francisco Bay Area.

Passenger Traffic

- 12 million passengers in 2017
- Approximately 33,000 passengers daily
- America's fastest-growing airport for 2016 and 2017 based on percentage increase in seat capacity

Terminals

Terminal A: 17 gates (including enhanced international facilities)
Terminal B: 14 gates

Budget

- \$184 million operating budget (Fiscal Year 2017/18)
- A self-supporting enterprise with revenues coming from landing fees, rents, concession fees, and other user fees
- No local taxes are used for the operation or development of the Airport.
- Federal grants contribute to some capital improvements.
- The Airport has a direct staffing level of 211 employees and approximately 3,000 airline and other business-based positions located on the airport.

Economic Impact

- 1,020,400 jobs in the San José/Silicon Valley area
- 105 companies within 18 miles of SJC worth \$39.3 billion in capital expenditures, with \$628 billion in global sales
